- Footnote: 02: An hourly rate fee is added for those projects that require more than the projected average number of staff hours
- Footnote: 03: Move towards B.O.S. policy of full cost recovery.
- Footnote: 04: Veterans with an honorable discharge operating a business in the incorporated and unincorporated areas of the county and subject to these fees will receive an exemption from health permits and other Environmental Health fees as authorized by the Business and Professions Code, Sections 16000 et seq.
- Footnote: 05: Non-profit organizations with proof of non-profit status will receive an exemption from these Environmental Health Fees.
- Footnote: 08: Non-profit organized camps are exempted from the fees in this program.
- Footnote: 09: State mandated fees are published for information only and may change after this publication. Not at County discretion.
- Footnote: 10: Multiple program fee adjustment of \$43/additional program when facilities are subject to two or more programs.
- Footnote: 11: This fee will be charged at 1.5 times the hourly rate when work is performed during overtime conditions.
- Footnote: 12: The Director of Environmental Health is authorized to waive fees for applicants who are seeking to reconstruct legally constructed homes and other structures, including associated grading, that were destroyed as a result of a natural or manmade disaster, where the Board of Supervisors adopts a resolution declaring such a disaster.
- Footnote: 13: Fee charged offset fiscal year costs.
- Footnote: 14: The CUPA may authorize a CalARP facility risk management plan audit in compliance with CCR, Title 19, Division 2, Chapter 4.5, Section 2775.2 and CUPA Policy P-04 to be conducted by the County's consultant. The fee is charged to the CalARP facility and passed through to the consultant.
